QUOTES

Life's most persistent and urgent question is, 'What are you doing for others?'

Love is the only force capable of transforming an enemy into friend.

The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.

Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.

I refuse to accept the view that mankind is so tragically bound to the starless midnight of racism and war that the bright daybreak of peace and brotherhood can never become a reality. I believe that unarmed truth and unconditional love will have the final word.

The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.

In the End, we will remember not the words of our enemies, but the silence of our friends.

We must learn to live together as brothers or perish together as fools.

The hottest place in Hell is reserved for those who remain neutral in times of great moral conflict.

I have a dream that one day on the red hills of Georgia, the sons of former slaves and the sons of former slave owners will be able to sit together at the table of brotherhood.

The time is always right to do what is right.

We must develop and maintain the capacity to forgive. He who is devoid of the power to forgive is devoid of the power to love. There is some good in the worst of us and some evil in the best of us. When we discover this, we are less prone to hate our enemies.

Darkness cannot drive out darkness: only light can do that. Hate cannot drive out hate: only love can do that.”

SONGS

We Shall Overcome

We shall overcome, we shall overcome,
We shall overcome someday;
Oh, deep in my heart, I do believe,
We shall overcome someday.

The Lord will see us through, The Lord will see us through,
The Lord will see us through someday;
Oh, deep in my heart, I do believe,
We shall overcome someday.

We're on to victory, We're on to victory,
We're on to victory someday;
Oh, deep in my heart, I do believe,
We're on to victory someday.

We'll walk hand in hand, we'll walk hand in hand,
We'll walk hand in hand someday;
Oh, deep in my heart, I do believe,
We'll walk hand in hand someday.

We are not afraid, we are not afraid,
We are not afraid today;
Oh, deep in my heart, I do believe,
We are not afraid today.

The truth shall make us free, the truth shall make us free,
The truth shall make us free someday;
Oh, deep in my heart, I do believe,
The truth shall make us free someday.

We shall live in peace, we shall live in peace,
We shall live in peace someday;
Oh, deep in my heart, I do believe,
We shall live in peace someday.

(ProSingKaraoke - Common and John Legend - Glory - Karaoke Version And Lyrics)

One day when the glory comes
It will be ours, it will be ours
One day when the war is won
We will be sure, we will be sure
Oh glory

Hands to the Heavens, no man, no weapon
Formed against, yes glory is destined
Every day women and men become legends
Sins that go against our skin become blessings
The movement is a rhythm to us
Freedom is like religion to us
Justice is juxtaposition in us
Justice for all just ain't specific enough
One son died, his spirit is revisiting us
Truant living in us, resistance is us
That's why Rosa sat on the bus
That's why we walk through Ferguson with our hands up
When it goes down we woman and man up
They say, "Stay down", and we stand up
Shots, we on the ground, the camera panned up
King pointed to the mountain top and we ran up

Now the war is not over, victory isn't won
And we'll fight on to the finish, then when it's all done
We'll cry glory, oh glory
We'll cry glory, oh glory

Selma is now for every man, woman and child
Even Jesus got his crown in front of a crowd
They marched with the torch, we gon' run with it now
Never look back, we done gone hundreds of miles
From dark roads he rose, to become a hero
Facing the league of justice, his power was the people
Enemy is lethal, a king became regal
Saw the face of Jim Crow under a bald eagle
The biggest weapon is to stay peaceful
We sing, our music is the cuts that we bleed through
Somewhere in the dream we had an epiphany
Now we right the wrongs in history
No one can win the war individually
It takes the wisdom of the elders and young people's energy
Welcome to the story we call victory
Comin' of the Lord, my eyes have seen the glory

When the war is won, when it's all said and done
We'll cry glory, oh glory
